## Festival of Cornish Motor Sport Incorporating Tregrehan Speed Hillclimb

Welcome to Truro and District Motor Club's festival of Cornish Motor Sport and Speed Hillclimb at Tregrehan Estate St Austell on Sunday 12 September 2010.

The speed hillclimb is open to anyone holding an MSA competition licence and a competition car log booked for this type of event.

Alongside the speed hillclimb the Club are running the Festival of Cornish Motor Sport in aid of The Cornwall Blind Association. If you own a vehicle, such as a classic car, motor cycle or competition vehicle that cannot compete, but would like to be a part of this exciting day then why not enter the Festival of Cornish Motor Sport and display your vehicle alongside all the other interesting vehicles and enjoy the speed hillclimb spectacle. It is the intention of the Club to hold a cavalcade up the hill of those cars on display during the lunchtime break.

The display and cavalcade are free to enter; the club just need the details below and a commitment that you will assist us by making a contribution to the Cornwall Blind Association collection on the day.
