Advanced Tickets

Advanced spectator tickets may be available for a limited time pre event through our website. You can only purchase tickets from the website if you are at least 18 years old.

The description of the tickets on our website does not constitute a contractual offer to sell the tickets. When an order has been submitted on the website, we can reject it for any reason, although we will try to tell you the reason without delay. It is your responsibility to check that your ticket order is correct when you submit it to us.

A contract will be formed for the sale of the tickets only when you receive an email from us confirming the order. You must ensure that the order confirmation is complete and accurate and inform us immediately of any errors. We are not responsible for any inaccuracies in the order placed by you.

Advanced spectator tickets will be delivered to you by email only. Tickets should be printed by you and presented to gate staff to gain entry to the event. We will not be held liable for any lost or stolen tickets, nor will we be obliged to replace or re-issue such tickets.

Tickets are non-refundable and non-transferrable. We may ask for proof of identity as proof of ownership of the tickets presented.

The resale of tickets for profit or commercial gain is strictly prohibited and will render any such tickets null and void.

Tickets should only be purchased through our website. Reproduction of tickets or tickets purchased from unauthorised sources will lead to refusal of admission and possible prosecution.

Free admission tickets are available for children aged 14 years and under at the time of the event. Proof of age may be sought at our discretion.
