Truro and District Motor Club

Perranporth Sprint

Final Instructions Update 1

Change of entry point to venue for competitors

Arrival

The entrance gate will be open from 6.30am and be closed at 8.45am. When you arrive please use the entrance that will be identified with **orange arrows** on the B3285 between St Agnes and Perranporth. **Do not attempt to use the normal signposted route to the Trevellas airfield gate.**
The entrance is on the main North Cornwall coast route so please avoid forming large queues on the road if you arrive early. Using https://what3words.com/ the entrance we are using is lifts.flushed.trickles. This will take you to the gate we are now using and can be converted to most sat-navs.

If a competitor is arriving on Friday 18th June to camp overnight the main gate will be shut at 5pm. If you arrive after 5pm you will need to call Ted Chalcraft 07795327648. You will need to enter by the gate shown above.

If you are camping overnight and your up to +3 guests are not arriving with you on Friday/Saturday, they will need to arrive on Sat/Sun morning at the main Competitors gate listed above. They will have to arrive together. There will be a list of names on the gate with the officials, if their name is not on the list they will be refused entry. There will be no exception to this rule!

If you are camping overnight Please make sure that you let the Secretary of the Meeting know the names of your support crew if they will not be arriving with you.
