

TRURO & DISTRICT MOTOR CLUB PERRANPORTH OCTOBER SPRINT

Saturday 9th & Sunday 10th October 2021

IMPORTANT INFORMATION

Could ALL competitors ensure they read these Regulations FULLY, as well as the TDMC COVID-19 Guidance document, as they contain important information.

Competitors will NOT be permitted into the paddock until 16:30hrs on the Friday afternoon. If you arrive early you can park on the perimeter road leading to the track. If you wish to assist with the setting up of the paddock or track, your assistance will be most welcome. Please let the Event Secretary know this in advance.

Dogs are NOT be permitted on site. If you bring a dog you WILL be asked to leave for the safety and wellbeing of the animal.

Practice runs will start at 09:00hrs.

PLEASE NOTE: There is a 10mph speed limit on the access road from the public highway to the paddock which is 5mph.

Open sided gazebos cannot be pegged to the ground, you will need to use suitable weights for these structures. Enclosed gazebos are not permitted!

Competitors will be restricted to the paddock area only, except when competing. Paddock spaces will be provided for one car and trailer OR towing vehicle only. An overflow parking area is available at the bottom of the paddock area. NO vehicles to be parked in the centre of the paddock.

Overnight stay in the paddock is permitted on Friday, Saturday and Sunday night if notice is given in advance. Parking for motorhomes will be available.

The club would like to thank Kevin George, Perranporth Driving Centre and David Beverly-Jones for their assistance with this project and enabling the use of the track at Perranporth Airfield.

Access may be very limited due to UK Government and Motorsport UK restrictions which may be in place at the time. Do familiarise yourself with the contents of the COVID-19 Guidance document. The event Final Instructions will give more details.

6. Event Programme

6.1. The programme of the events will be: -

06:30 - Gates open to competitors and officials. When you arrive, please use the entrance that will be identified with orange arrows on the B3285 between St Agnes and Perranporth. Do not attempt to use the normal signposted route to the Trevellas airfield gate. Please do NOT arrive before 06:30 as this would cause tailbacks on the main road.

06:45 – 08:15 Track open to walk the course. NOTE: Please take care when walking the course as arriving traffic will be using the section from the final hairpin to the finish line to access the paddock on arrival.

08:30 - Main entrance gate closes for competitors. You will NOT be able to enter or exit the paddock whilst the event is taking place as the entry and exit route requires access across the track. Please Note: The club is proposing at the time of publication of these ASRs to allow spectators on site.

09.00 - Practice runs begin. The first competitive runs will follow on after practice is completed.

6.2. PLEASE NOTE: Drivers briefing – Will be via briefing notes which will be sent in advance along with the Final Instructions.

6.3. Any competitor who, because of distance or other genuine reason, finds difficulty in complying with the times above may report at a different time provided that prior written permission has been obtained and granted by the Secretary of the Meeting.

Scrutineering. There may be NO paddock scrutineering. If this is the case there will be an area set aside as you head towards the start line, this area is for scrutineering and noise testing. If you are asked by the scrutineers to pull into said area, please follow their instructions fully. Please make yourself familiar with the following document particularly the section on SCRUTINEERING on pages 9 & 10. Getting Motorsport Back on Track - SPEED Appendix v18 May 2020 (motorsportuk.org). This may be subject to change due to Covid-19 guidance.

7. Course

7.1. The length of the course is approximately 1025 metres. From the paddock to the start and after the finish to the paddock there will be a speed limit of 10mph.

7.2. The track length is now approximately 1025m, (.64 of a mile). From the start line it is a short sprint to the first corner, which is a hard right, this is followed by another longer straight sprint leading to a slow left/right onto a narrower section for a sprint of 220m to a slow anticlockwise hairpin to be defined and back up the narrow 220m straight with a slow right/left onto another long straight and an easy 45° right turn, another straight follows this into a hairpin left leading back towards a tight left/right/left chicane which will be marked out by penalty cones, then a final sprint to the flying finish. (Penalty of 5 seconds per cone strike.)

7.3. Following the finish line there is a 200-metre slowing down section before cars will enter the paddock. The course will be defined using either tyres, straw bales or cones. These may also be used to define the course width where the course uses runways that are very wide.
